Sir:

REQUEST FOR CORRECTION OF INVENTOR INFORMATION

It has come to the attention of the undersigned attorney of record that typographical and inadvertent errors occurred in the Declaration which was executed by the inventors and filed in the above referenced application. The two errors are as follows:

- The given name of Inventor No. 2 contained a typographical error which was not corrected at the time of execution; namely, "Arja" should have been -- Anja --.
- The city of residence for Inventor No. 4 should have been "Chapel Hill" and not "Durham" as was inadvertently typed on the Declaration.

There is attached hereto an Application Data Sheet setting forth the correct inventor information. In addition a copy of the executed Declaration is also attached where the inventor Brau signed his given name as "Anja" but neglected to correct the typewritten portion.

The assignment information is accurate as evidenced by the attached copy of the executed Assignment, Recordation Cover Sheet and the Notice of Recordation. In this

Appl. No. 09/840,029
May 13, 2004

instance the inventor Brau did correct the spelling of his given name on the first page, the information on the signature page being correct.

It is submitted that the errors were merely typographical and/or inadvertent and that no petition for correction of the Patent Office records is required. It is requested that the undersigned be informed when the requested corrections have been made.

Respectfully submitted,

NIXON & VANDERHYE P.C.
